

On the Spot Coaching

On the Spot Coaching is a 30-minute tele-coaching session whenever you need it.

You have a life. A story. A mission.

But sometimes life gets in the way and you can use a guide, a resource, a light to help you out.

These are just a few of the things I can help you with when you:

- Need a nudge to reach a deadline
- Can use some extra support in your life for whatever reason
- Face a challenging decision and need an objective viewpoint
- Are in transition and not sure which direction to go
- Have lost touch with your Creativity
- Need a new perspective
- Are feeling overwhelmed
- Notice your self criticism is running rampant
- Need someone to encourage you to follow your passion
- Feel stuck
